The rents of the Town Hall Building, about \$600, being appropriated to the Sinking Fund, are not accounted for at this time, but will make a part of the Statement, which, by the vote of the Town, is to be made in May.

There also remains uncollected, \$28 62 of the Tax of 1834; and \$1443 07 of the Tax of 1835, the greater part of which will probably be received.

The Treasurer has drawn, according to law, upon the Commonwealth, for the amount of \$610, which, agreeably to the orders of the Selectmen he has paid to sundry persons for military services, but his draft was dishonored in consequence of a *protest*, originating with the minority of said Board of Selectmen, and relating to matters of action within said Board. It is presumed that a part of the sum, \$425, will be paid.

The amounts above named, together with the balance in the Treasury, will pay off the money hired in anticipation of Taxes to meet current expenses.

§ Sundry bills against this Board, are yet unpaid, which will consume the balance of funds on hand.

It is expected that the charges in the case of McWilliams, will be refunded by the State, and the subject is in the hands of the Committee on Accounts of the Legislature. The Board deem it unadvisable to urge payment of Mr. Brazier, at present, but presume his account will eventually be recovered. There are also other demands for money paid by this Board previous to 1832, which it is expected will be recovered.

Respectfully submitted,

By direction of the Board,

WILLIAM SAWYER, Secretary.

The outstanding bills against the Overseers department amount to about \$1600, and there is due from the Commonwealth, \$2876 25, and several small accounts from towns. Respectfully submitted,

JAMES K. FROTHINGHAM, Ch'n. of Overseers.

N. B. The apparent increase of expenditures for Provisions, Groceries, &c. is owing to part of the bills for the year 1834, which were not settled previous to March 31, 1835, being included in this year's statement.

Copy of the Certificate appended to the Chairman's Account.

" CHARLESTOWN, March 12, 1836. The Subscribers, Committee of Finance, having examined the foregoing account, find the same correctly entered, and cast, and the payments duly vouched, and a balance in the hands of the Chairman of twenty-two dollars and thirty-six cents.

CHARLES THOMPSON,
DEXTER BOWMAN,
WM. WYMAN."
